NEW YEAR

As we move into 2026, we want to take a moment to reflect on the wonderful growth of our community. We've seen a significant increase in our census, and with it, a lot of new faces joining us for activities and events. It's exciting to see our community grow, and we're thrilled to have so many new members with us.

Whether you're joining us for a lively game of trivia, relaxing with a manicure, enjoying a wine and cheese social,

or taking part in our physical activities, your participation truly makes all the difference.

Every event we put on whether it's bingo, trivia, resident visits, or just hanging out at a social is all about helping everyone feel connected and included.

It's totally normal to feel a little disconnected sometimes, but when you show up, even just for a quick chat or a relaxed one on one, it really does make a difference.

Your presence helps create a warm, welcoming atmosphere where people can laugh, have fun,

and make memories together. It's not just good for you, it lifts our whole community here at NHNRC. When you walk through the door, you help set the tone and make this place feel like home for everyone. We also want to give a special thank you to those of you who have been regular attendees at our events.

Cheers to 2026!

“Come Join Us”

Your consistent participation plays a huge role in making these activities awesome! Whether you're one of the first time to join us or one of our dedicated activity goers you're setting an example for our newer members on how to stay active, engaged, and involved, and we truly appreciate it.

to those who have joined us recently, we're so glad you're here! It's exciting to see so many new faces, and we want to encourage you to keep coming out to our events. Whether you're interested in a social evening, manicures, or a fun round of trivia, there's always something happening. We know that settling into a new community can take time, but please know that we're here to support you, and you are always welcome.

Once again, thank you to everyone, new and familiar faces, for making our activities and events so special.

Your participation is what keeps this community thriving, and we look forward to seeing you at our upcoming gatherings. Whether you're here to enjoy a music, catch up during a resident visit, or just have fun with bingo, your presence is what makes this place feel like home.

“NHNRC: WHERE HEALING, FEELS LIKE HOME”

“NHNRC had the Chance to be Good Neighbors”

On December 6, we had the opportunity to be great neighbors when Accura HealthCare of New Hampton experienced an unexpected water sprinkler system malfunction that caused flooding in a portion of their facility.

As part of the regional response, residents were relocated to hospitals and skilled nursing communities in surrounding towns. To our knowledge, everyone remained safe, just a little wet and temporarily displaced from their home. We welcomed several residents to our community to ensure their care continued without interruption.

Thanks to the flexibility, teamwork, and compassion of our staff, these residents were safely accommodated and supported during this transition. We are proud of our team and grateful for the collaboration among Accura HealthCare communities and regional partners during this event.
